Corporate Sponsor/ Individual Giving and Concert Sponsorship Opportunities

2023-2024 SEASON

How you can help:

Contributions of all sizes ensure the future of the Piedmont Wind Symphony and provide the necessary funding for our season performances. Individual gifts, corporate support, and underwriting allow us to continue producing high-quality programming and bringing nationally recognized guest artists to the Piedmont Triad. Of course, your attendance at our performances is the fruit of our labors, and we can't wait for you to join us at our concerts!

Sponsorship

The Piedmont Wind Symphony (PWS) offers sponsorship options for the season or individual concerts. Benefits of a sponsorship can include complimentary tickets, corporate logo placement on posters and advertising, and ads in concert programs. A portion of a sponsorship is tax-deductible as a charitable contribution. If benefits are waived, the entire amount is tax-deductible as a charitable donation.

Program Ad Purchase

Each concert will have a program book with ads from our season and concert sponsors. Ads can also be purchased outside of a full sponsorship for a lower cost.

A la carte program ads are not tax-deductible as a charitable contribution.

Individual Giving

We offer several individual giving level options and diligently recognize our supporters in each concert's programs. Individual gifts are entirely tax-deductible, can be made in memory or honor of another, and can be listed under the individual's name or business.
